Key products and services include but are not restricted to private car insurance, commercial van insurance, home insurances, landlord insurance, travel insurance, gadget insurance.

Kidd Insurances provides broad-based advice, based on a fair analysis basis on all classes of insurance policies on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet the your needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in, and share of that market. In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- Other relevant consideration.

Kidd Insurances also offers specific affiliate products and schemes for personal lines and commercial lines products across motor, household and specific business insurances with leading providers (details available on request) which have the added benefit of often bespoke market-leading policy wordings at keen rates. For such policies, Kidd Insurances operates on a limited analysis of the market. In cases where we assess consumers as being eligible for these packages, we don't research the market on a case-by-case basis, but rather place the business with the preferred provider. We continually review, monitor and evolve such products with product suppliers, from a cover and costing perspective to ensure that our offering remains

competitive and also to enhance our customer experience. We also provide advice on Health insurance on a limited analysis basis (providing services on the basis of a limited number of contracts and product producers available on the market). We provides advice in relation to the following product provider:

Irish Life Health dac

Life Assurance, Investments and Pensions:

Life Assurance companies and some Product Producers provide products such as Life Assurance, Serious Illness Cover, Income Protection, Savings, Investments, Pensions and PRSA's. Depending on your individual circumstances, we may provide you with advice in relation to the nature of these products and which products(s) may be suitable for your needs. We can give you a choice of different Life and Pension products from the Insurance Companies and Product Producers with whom we hold an appointment. With your agreement, we may review the policies you take out on a periodic basis to ensure you are kept informed as to their benefit and to check whether they are still suitable for your needs. We will also provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies.

We aim to supply our Terms of Business details to our clients in advance of transacting business. However, in circumstances where a client may require immediate insurance cover or where the contract is a distance contract under the terms of the European Communities (Distance Marketing of Consumer Financial Services Regulations 2004), it may not be possible to issue the Terms of Business in advance of cover and with the client's agreement, the business will be transacted and the Terms of Business emailed or posted to the client without delay. Kidd Insurances uses a range of product suppliers some of whom in turn may charge a fee for their services. A full list of our product suppliers is available on request. Kidd Insurances transacts business only through product suppliers who are regulated by the Central Bank of Ireland or other equivalent regulator. Kidd Insurances cannot and does not guarantee the solvency of any insurer or product supplier.

We endeavour in all transactions to act honestly and fairly in the best interests of our clients and the integrity of the market while complying with all regulatory requirements applicable to the conduct of our business activities. We will provide assistance to you for any queries you may have in relation to your policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents and supporting schedules, literature and brochures to ensure that you understand the nature of the policy cover.

Phone Calls Recorded

We may record inbound and outbound phone calls to / from our office for training and verification purposes.

Please note that if you receive a quotation for a new business insurance product or for a change to an existing insurance, cover should not be assumed to be in place until it is confirmed by Kidd Insurances.

Payment of amounts owing

Under current legislation, very strict rules apply to the payment of premiums to product suppliers. Kidd Insurances will not be able to pay premiums to product suppliers which have not been received from clients, with the result that cancellation instructions may be given to product suppliers, in the absence of payment of the premium in full.

Lenders or Insurers may withdraw benefits, cover, loan facilities, or impose penalties in the event of default of any payments due for products arranged for your benefit. We reserve the right to take legal action for any monies due to us. Kidd Insurances has a policy of charging €10 for a returned cheque.

Premium Rebates: Premium rebates are forwarded to consumers within 5 working days of the official notification being received from the product supplier.

Handling Clients money

Kidd Insurances accepts payment in cash, cheque, by credit or debit card and by electronic fund transfer. Monies received from clients are retained in our Client Premium Account, which is a bank account solely for client's monies. Kidd Insurances issues a receipt for cash or negotiable instruments (e.g. cheque) payment received. This is required under Section 30 of the Investment Intermediaries Act 1995. A receipt is issued with your protection in mind and should be stored safely.

Default on payments by clients

Our firm will exercise its legal rights to receive payments due to it from clients (fees and insurance premiums) for services provided. In particular, without limitation of the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Anti-Money Laundering/Counter Terrorist Financing

Kidd Insurances may outsource activities to regulated and unregulated providers.

Premium Finance:

We may arrange insurance premium finance on your behalf with appropriately regulated providers and offer facilities to you based on a credit assessment by the credit provider. We may receive commission payments from the finance provider in respect of such finance agreements. Details of commissions received by Kidd Insurances from premium finance providers is available on request. Please ensure that you read, understand and adhere to the terms of any premium finance agreement. Kidd Insurances accepts no responsibility for any refusal by a premium finance provider to offer credit or for the consequences of defaults or delayed payments.

Compensation Scheme

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. See below for details.

Investor Compensation Scheme

The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act.

The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme.

Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so.

A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.

For further information, contact the Investor Compensation Company Ltd. at (01) 224 4955.

Brokers Ireland Compensation Fund

We are also members of the Brokers Ireland Compensation Fund. Subject to the rules of the scheme the liabilities of its members firms up to a maximum of €100,000 per client (or €250,000 in aggregate) may be discharged by the fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme has failed to adequately compensate any client of the member. Further details are available on request.

Claims notification

You should notify Kidd Insurances or the product supplier without delay in the event of an incident which may lead to a claim being made. Failure to notify a claim or potential claim without delay could result in the claim being refused. Please note that an Insurer or product supplier may appoint a loss adjuster to assist them in the processing of a claim. It is important to note that the loss adjuster acts in the interests of the insurance provider. You may appoint a loss assessor to act in your interests as a claimant but any such appointment is solely at your own expense.

Mid term alterations/cancellations

You may opt to amend or cancel your policy during the period of cover. A consumer (as defined by SI No 853 of European Communities (Distance Marketing of Consumer Financial Services) Regulations, 2004 has the right to withdraw from an insurance policy within 14 days of the start date of the policy without penalty and without giving any notice. This is called, 'the cooling off period'. The right of withdrawal must be exercised by notice in writing to Kidd Insurances, quoting your policy number. If the cover relates to motor insurance, the policy cannot be cancelled or monies refunded until the relevant Certificate of insurance

and windscreen disc have been received by the insurer. No refund will apply if a claim has occurred on the policy. Please note that if you cancel a policy which was set up on a minimum and deposit basis, no refund will be allowed following cancellation.

Please note that if you opt to cancel an insurance policy covering a property which is subject to a mortgage, you may be in breach of the mortgage terms in cancelling cover.

Duty of Disclosure

It is your responsibility to provide complete and accurate information when arranging or renewing a policy and throughout the lifetime of a policy. Failure or delays in disclosing material facts to an insurer could invalidate your insurance cover or mean a claim is declined or a reduced amount is paid. A material fact is a fact so important that its disclosure could change the decision of insurer to underwrite a policy or in determining the premium or in settling a loss. Usually the misrepresentation of a material fact voids a policy.

Please note that where a policy is incepted based on the information supplied on a completed proposal form or via a statement of fact form, Kidd Insurances assumes that you have checked the accuracy of all information provided, including any pre-populated sections on such forms. If there are errors, please notify us immediately. If you are unsure about whether a fact is material, please contact us to discuss. Otherwise, Kidd Insurances will assume that all of the information shown on your insurance forms is displayed correctly.

Conflicts of Interest

In the course of our dealings with you, there may be times that a member of our staff may have an interest, relationship or other arrangement that is material to the advice we are giving you. In all such cases this interest will be declared to you and our employees are required to disregard any such interest. Where we enter into a soft commission agreement with a product supplier, details of the arrangement will be formally agreed in writing between Kidd Insurances and the product supplier. Any business transacted under a soft commission agreement does not conflict with the best interests of our clients.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up to date advice and products best suited to your needs. Failure to contact us in relation to changes

in your circumstances or failure to request a review may result in you having insufficient insurance cover and/or inappropriate investments.

Complaints

Customer service is important to Kidd Insurances and we aim to resolve complaints as quickly as possible. Whilst verbal complaints are welcome, it would be preferable that any complaints are made in writing. We will acknowledge your complaint within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and, the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman, contact details are shown later in this document. A full copy of our complaints procedure is available on request.

Earnings disclosure

Our income is generated from a combination of commissions and brokerage fees for our professional services. The level of brokerage charged will be dependent on the complexity of service, seniority of staff involved, compliance factors, and other operational considerations. Any brokerage charged will be clearly identified on your quotation documentation and invoices where business is transacted and will be non refundable in the event of policy cancellation. Kidd Insurances may also be paid an additional commission by Insurers based on certain agreed business targets being achieved and may also receive commission from premium finance providers for business transacted. We do not regard this as a conflict of interest when providing business services to its clients. We may offer clients the option of paying solely by a fee if required.

We may receive commission and other payments at inception of your business and on an on-going basis from the product producer or undertaking with which business is placed. This remuneration enables us to provide you with services on an on-going basis. Summary details of these payments will be included, where appropriate, in a product information document, in relation to life assurance products. Details of remuneration for non-life insurance and information from different mortgage lenders are available on request.
